ZONE 1851 – E 2ND STREET

Monday - Saturday 7AM - 7PM

Downtown Zone Permits

Available for those who live or work within the downtown business area. Sections of the municipal lots are designated zone permit parking only. Sales of these permits are twice a year (6 month permits), valid January – June and July – December. Sold in person at the parking office. See map for parking zone areas.

Residential Parking Permits

Signs indicate restricted areas in town. Parking without a permit in these areas will result in a fine. These are available to residents living in the regulated permit areas in town. Permits are required all year long. Residents must renew annually each August.

Street Maintenance

Look for ‘No Parking’ signs on your block. You must move your vehicle the 1 st and 3 rd full week of the month – all year long. Exception: Fall Leaf Collection. Must move from the beginning of October through Thanksgiving week. Please stay off the street the entire time posted on that day. The recycling calendar shades the weeks you have to move. The day you must move is on your block.
